Publicity Program By Board Of Trade Over CKWX Daily

Mill Site May Be Transferred To Municipality

White Rock, through the efforts of the Board of Trade, is getting much-needed radio publicity over station CKWX. The programme went on the air last Monday and will be heard almost daily for the next two months. On Tuesdays, Thursdays and Saturdays the programme will be heard at 1:15 p.m. and at 6 p.m. on Mondays, Wednesdays and Fridays.

At Monday's meeting of the board, Councilor Frank reported that the Indian Department is now ready to cooperate with municipal authorities for the proposed dyke on Campbell River.

Another source of information revealed that Messrs. Hunter and Roanda, lessees of the mill site, are ready to transfer their holdings to the municipality, if given sufficient time to remove machinery, etc.

Reeve Brown as guest speaker, gave the meeting a resume of the municipality's financial position. He also mentioned that the Washington Avenue sidewalk will be fixed up immediately, and later, speaking of Victoria Avenue, said that expropriation of Hope property is the only solution to the difficulty. Mr. Brown also mentioned that the Campbell River Road will be raised just as soon as the new shovel arrives, and in the meantime enough gravel will be dumped to make the road passable during floods. The reeve further stated that the White Rock District should be incorporated, as a solution to its many problems.

Each Member Did A Share

The C.G.I.T. group held a Mother and Daughter Banquet, in the United Church Hall on Friday, May 16. Thirty-six mothers and daughters took down a delightful supper. A splendid programme followed, in which each member of the group took part. Miss F. Snyder of Vancouver, was the guest speaker.

Local Loan Drive Ready To Start

Plans are being completed locally in conjunction with the Dominion Victory Loan campaign which will commence on June 2.

The campaign will be intensive, reminiscent of the last war when thousands of dollars were raised in this way. As was the case in the days of 1914-15, prominent citizens are again organizing into a competent body to undertake a big task, and see it through to a successful conclusion.

Barry's quota in the drive is set at \$125,000, which will be subscribed by a personal canvass. W. C. Frank, H. Puley and W. R. Lefroy are in charge of local organization.

Anglican W. A.

Regular meeting of the Anglican W. A. was held in the church hall on Thursday, May 15. The meeting decided to hold a garden party on Wednesday, June 11, at the home of Mrs. Hickling, Royal Avenue. More sewing was given out which will be sold at the annual bazaar.

Opens Branch

Twice Island Dairy of Vancouver, will open a branch in White Rock on May 24. The new business is located in the Meyer Block, next to Rogers' Grocery. Under the management of Jimmy O'Connor, the store will handle mainly ice cream and dairy products.

Invitation To Be Extended Representative Of School Board

Discussion of local and municipal affairs, which resulted in the drafting of several resolutions for presentation to the governing bodies, took up the greater part of last week's meeting of the White Rock Ratepayers' Association.

In the reorganization stages of the association, it was felt that the attendance of Councilor Frank with a few minutes' chat on municipal affairs, would add interest to the evening's business routine. This procedure has proved so satisfactory that it has been decided to extend a similar invitation to a representative of the school board, so that ratepayers and representatives could be brought in more direct contact.

The executive decided to sponsor a bus trip in the near future, and arrangements for this will be left to Mrs. Mills. Watch this newspaper for date and time.

Next regular meeting will be held June 29.

Betty Plantec Wins Swim Race

At the recent contest at the Crystal Pool, Vancouver, the winner of the women's eight hundred yard race was Betty Plantec, granddaughter of Mrs. M. E. Boies of Marine Drive. A new composition floor has been laid over the old concrete floor, which, according to Mr. McPherson, is entirely soundproof. Other work contemplated includes painting and redecorating of the entire premises.

Bomb To Be Signal To Start May Day Celebration Saturday

As far as White Rock was concerned the Blackout was carried out successfully, no lights apparently were seen.

They Say

THAT there will be a band. Oh, listen to the band!

THAT one must fight fire with fire, but the brigade are calling for volunteers.

THAT the grannies were in their glory the other afternoon when they were entertained.

THAT if you had left a leep out of your house last night, you were liable to get the pen.

THAT the scouts are doing their share in the Salvage campaign.

THAT May has not had its usual smile, what's it crying about anyway?

THAT tomorrow a new queen will be crowned to reign for a year. Call me early, mother dear.

White Rock's "season" will officially open tomorrow with the May 24 celebration. The different committees have plans well in hand and indications point to the day being the biggest and best yet.

Two bands will be in attendance, the Elgar Junior Band and the New Westminster and Fraser Valley Pipe Band, who will play both for the parade and during the ceremonies. A good parade is lined up and all residents and visitors are being urged to enter their car, truck or bicycle, to complete the parade of the many prizes. All wishing to take part in the parade are asked to line up at Rod's Garage at 12:45 p.m. Returned veterans, Legion of Frontiersmen and a detachment from "R" company will give the affair a military air.

A bomb will be used as a signal to indicate whether or not there will be a May Day. If the signal is not fired at 11 a.m., no celebration will be held.

All participants will meet twice more before the day actually starts, one meeting to be held in the Army & Navy Hall Friday evening at 8 p.m. and the other at Hudson's Office at 10:30 Saturday morning.

Bob Bradshaw, who recently joined the R.C.A.F., writes from Brandon that he has met Amyrck Vital, and that they planned on holding a reunion with other White Rock boys.

Have you seen what White Rock Red Cross is doing for civilians? Visit your Red Cross Rooms. Encourage your executive, who have a heavy responsibility, by attending the monthly meeting, which is always the second Tuesday evening at the White Rock Hotel.

Victory Loan 1941

As intimated in Finance Minister Ilsey's budget address, War Loan Bonds are soon to be on sale all across Canada. Formation of War Loan Committees, National and Provincial, have been about completed and committees are being formed in every locality. Until the War Loan Bonds are actually on sale advertising of institutional character, relating to the general financial problems induced by war conditions and the urgent need of all forms of savings, will appear from time to time.

In general, War Loan Committees will conduct a complete canvass similar to the War Savings drive of February. Bonds will be sold for immediate payment or for purchase by installments over a period of five or six months.

In emphasizing the staggering task placed upon the Canadian people in financing the tremendous expenditures involved in the successful prosecution of the war, Mr. Ilsey said present estimates of revenue and expenditures during the current fiscal year indicate a deficit of \$165,000,000 to be met by taxation and borrowing. Financing of British purchases from Canada is expected to bring the budgetary deficit to \$1,500,000,000, of which it will be necessary to borrow about \$1,000,000,000 this fiscal year.

Mrs. L. Barnes was taken to the hospital, suffering from "flu," on Thursday.

Mrs. F. Sinnott had as her guests this week, her two sisters-in-law Mrs. H. H. Bailey, of Seattle, and Mrs. Chas. Bailey, of Victoria.

Fighting Services Cooperate To Help Recruits Find Their Particular Niche In Armed Forces.

Ottawa—For the man desirous of joining any of Canada's fighting services today, there is satisfaction in the knowledge that instead of competition for recruits among the services, there is a working arrangement whereby he will receive direction as to where he can serve most effectively, and at the same time the services will get around the difficulty of trying to fit square pegs in round holes.

A recruit presenting himself to the Air Force may possibly lack some of the required qualifications but may be thoroughly suitable for some branch of the Army or Navy. He will be so advised and directed, and the Navy or Army representative will be told. These two services in turn will give similar assistance to each other, to the Air Force and to recruits.

THE EIGHTH DECENNIAL

Census of Canada

June 2, 1941

THE Census is the stock-taking of the nation — of its men, women, and children; its agriculture, trade, and industry; its housing, and general social condition. By it, all Governments, — Dominion, Provincial and Municipal — are enabled to work more effectively and economically in the interest of every resident of the Dominion.

In these days of increasing Government responsibilities, no Government can give the best service unless it has detailed and accurate knowledge of the people and their varying circumstances. That is why we request the co-operation of all Canadian citizens in the taking of the Census. When the Government's Enumerator calls at your door, receive him courteously and give him all the information for which he asks. Remember that he is in your service. Accuracy and despatch in your replies will promote good administration in your country, now under stress of war and facing crucial post-war reconstruction.

ALL INFORMATION SUPPLIED HELD STRICTLY CONFIDENTIAL

You can place absolute trust in the official Enumerator, who is sworn to secrecy. All the information which you provide will be held in strictest confidence both by him and the Dominion Bureau of Statistics, and can never be used against you by any tax-collecting, military, or other agency, or in any court of law.

It is compulsory by law to answer the questions, but you will be assisting your Government in very difficult times by giving the information readily and accurately in the spirit of good citizenship.

Issued by authority of The Honourable JAMES A. MACKINNON, M.P., Minister.

On April 30th, Mr. Olson of the Vancouver Elgar Band visited the school to speak to the pupils about organizing a school band.

The school was honored by having Inspector Calvert visit here on May 12 and 13.

The Grade VII guidance club, "The Busy Bees," held a meeting in the auditorium. There was a variation of songs, speeches and dances by the pupils. Mrs. Peck was the pianist.

The school orchestra is practicing for the May Day celebration on the 24th. Several pupils are practicing the lancers and folk dances.

The War Savings stamp sale is now \$230.25.

Mrs. Frank Wilkinson will attend the wedding on Friday of the youngest daughter, Mildred Elsie, of Mr. and Mrs. Drinkwater, of Harvey street, New Westminster, to Carl Rowbottom. Mrs. Everall and Mrs. E. Ambrose are also attending.

IN APPRECIATION

On behalf of the W. A. of Canadian Post No. 8 I wish to express my sincere thanks to all those who so kindly donated flowers for the Mothers' Day Bouquets, also the pupils and teachers of three grades of White Rock Public school, and one grade of Semiahmoo Junior-Senior High, and a very special thanks to those who collected flowers and made up bouquets, and the Girl Guides who so cheerfully delivered them.

To all I say "Thanks a Million!"
Elizabeth Simmonds.

Tickets are now on sale for the Army and Navy's dog drive. A limited number of tickets will be offered the public, one of which will win a pedigree Scottie pup as first prize.

Mr. J. B. Olson, bandmaster of the Elgar band, who recently spoke to the High school, says that the school is organizing a band which will be under the leadership of the same conductor. Any boy or girl interested in joining the band may get in touch with Mr. Olson on May Day.

"BLOOD...TOIL... TEARS and SWEAT"

This is a war for existence. It is war to the death. It is a war to win or to lose.

There can be no half way—no compromise. It is a war to WIN.

Money is the fourth arm of the service.

Whatever you are called on to pay or to lend, it is little compared to the lives that our sons offer.

There have been many and heavy calls upon Canada already.

There will be more.

Let us face the truth and the truth will make us free.

It is freedom we are fighting for, British freedom, the freedom of body and spirit that makes life worth living.

If we fail, we fall.

Be prepared for sacrifice.

Great Britain has set us an example on a scale of heroic magnificence history doesn't record.

Let us FIGHT!

Canada has the resources. Let us spare nothing. When our soldiers offer their lives, let us be willing to share our livelihood.

Presently the Government of Canada will call for money.

The money is here.

We are spending billions. We are already heavily taxed. But most of these billions and those taxes are being spent in Canada. That money comes back to you. Keep it rolling. Keep putting it back into the war effort, so that it may be spent again and again and again until Right prevails and the world is free.
